

The

owls

lived

in

a

tree

Mummy

was

gone

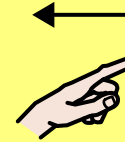

They

thought

she

went

hunting

They

sat

and

waited

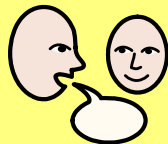

for

mummy

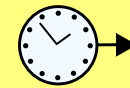

They

said

"she

will

be

back

soon

"

It

was

dark

and

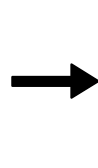

scary

They

needed

to

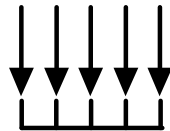

be

brave

They

all

sat

together

on

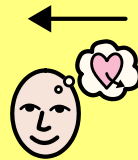

the

branch

They

hoped

she

would

come

home

She

came

home

!

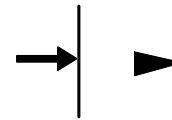

She

flew

quietly

to

the

tree

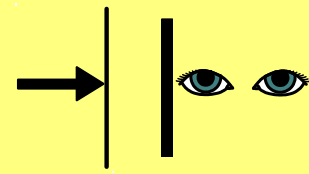

They

were

happy

to

see

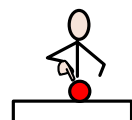

her !

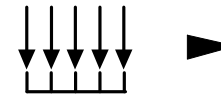

Mummy

asked

"what's

all

the

fuss?"
